HOLDING „SUVOROV-VIN” & „KAZAYAK-VIN”

- includes the Moldavian wineries SUVOROV-VIN and KAZAYAK-VIN. Holding SUVOROV-VIN owns vineyards of over 500 hectares in a famous area in the south of Moldova, where the climate for quality viticulture is perfect. The Company manages to convince the whole world of the sublime quality of Moldavian wines, by means of clever marketing and by concerning wines to different aspects of Moldavian culture. The wine produced by Holding SUVOROV-VIN strictly complies with the strict requirements of wine-making. And this is not surprising - the Company keeps a check on with the whole wine-making process: modern methods and techniques for grape processing, membrane filtration, cold-working and sterile bottling processes. All these techniques and methods are aimed to produce rounder and fuller wines, which are elegant, fresh and delicate. The production process is subject of everlasting control; it combines century-old traditions of Moldavian winemaking, as well as practical experience with innovative technologies. All year round specialists of the Holding are in charge with grapes growth, soil conditions, verify the time of trimming and tying, manage materials and methods of vine protection from insects and blasts. Process of wringing and production of wine materials is fulfilled in the immediate proximity to the vineyards.

OUR PRODUCTION & EXPORT - During 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017, 2018, 2019 our company is the leader in producing and exporting bottled wine from Republic of Moldova. Annually we produce and export nearby 7 500 000 bottles of wine and 8 000 000 liters balck wine, and our marketshare in export is 25 %. In following countries people drink our wine:

OUR POLICY: Exclusive assortment for each customer, performance of the customer order in no more than 25 days, strength quality, stability of deliveries, comprehensible prices, financial partaking in promotion programs together with the customer, marketing budget for each client.

OUR BOTTLES: In wine production we use own exclusive bottles, drawings of which are developed by our designers, therefore all our production is favorably looking on shelves of shops and it cannot be falsified.

OUR GRAPES:

- In production of wine we use only high-quality grapes of grades:

PRESENTS A NEW

- Dear partners, our company is pleased to offer you a novelty in our range. Everyone's favorite product in a new, modern, convenient package "Aluminum can 250 ml".
- Ready-to-drink beverages created according to the unique and exclusive technology of our company are a mix of natural grape wine and natural fruit juices - These carbonated drinks have no analogues on the market and can take their rightful place on the shelves of retail chains, gas stations and in the entire HoReCa segment. ...
- A wide range of flavors will allow you to make the right choice with preferences specifically for the market of your country.
- Our designers have developed several types of product design. You can choose from those already developed or make a request for development and we will create your own design for you - **absolutely free.**

The price of our products depends on the ordered volume and varies from 0.39 to 0.66 euros per can. Any your request will not be left without attention and the best offer.

The absence of preservatives, naturalness and high quality of our product are a guarantee of the successful business of your company.

Best regards to you,

SUVOROV-VIN & KAZAYAK-VIN
